

Courage isn't having the strength to go on -- it's going on when you don't have strength.

-- Napoleon Bonaparte, military commander

勇气不是有力气坚持下去，而是没力气还坚持下去。 ——拿破仑（军事家）

### First live television transmission via satellite

#### 人造卫星首次播送电视

The Telstar satellite first beamed live television from the United States to the United Kingdom on this day in 1962. The initial transmission of pictures of ATT chairman Frederick Kappel were received in poor quality in the U.K but were picked up clearly in France. The landmark transmission marked the beginning of satellite broadcasting and changed the face of telecommunications.

### XM hosts annual ICMAC Forum “一带一路·智慧生技”论坛在厦召开

The annual International Conference for Managing Asia Century kicked off in Xiamen last weekend. The two-day forum included 500 attendees from China and ASEAN countries and focused on the intersection of biotechnology and the Belt and Road Initiative. The event featured areas dedicated to the use of big data in biology as well as telemedicine and wearable devices.

### Picasso and Dali artworks on display 去白鹭洲欣赏毕加索与达利真迹

More than 1,200 people swarmed the opening of an exhibition featuring artwork by Pablo Picasso and Salvador Dali on Sunday at the Taihuachen Art Gallery located at Bailuzhou park. The event runs through August 10 and showcases 200 art pieces including paintings, sculptures and ceramics.

# Gulangyu Pipe Organ Art Center opens

## 鼓浪屿管风琴艺术中心正式开馆

The Gulangyu Pipe Organ Art Center hosted on Sunday its official opening ceremony, which is a part of the celebration hailing the first anniversary of the islet's inscription on the World Culture Heritage list. The center hosted six concerts by eight musicians from six countries over the past four days.

The Gulangyu Pipe Organ Art Center is by

far the largest platform in the Chinese mainland for the collection, performance, training and renovation of antique pipe organs.

Items in the collection include the Casavant Opus 700, the largest pipe organ currently in Asia. In 2007 Hu Youyi and Huang Yulian donated the organ and restoration work began on the Opus 700 four years ago.

Pictured is Isabelle Demers, organ professor and head of the organ program at Baylor University in Texas, who played the opening concert with the Casavant Opus 700 on Sunday.
